EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. The expenses and costs attending on Private Bills giving any exclusive privilege, or for any object of profit, or private, corporate, or individual advantage; or for amending, extending, or enlarging any former Acts, in such manner as to confer additional powers, ought not to fall on the public; accordingly, the parties seeking to obtain a Private Bill shall pay the Clerk of the House the sum of one hundred dollars before the first reading thereof; and an additional sum of one hundred dollars immediately after the second reading thereof. And no such Bill shall be read a first time, or committed after second reading,

VICTORIA CITY BY-LAWS.

NO. 276.

A BY-LAW

To authorise the sale of lands within the City of Victoria upon which taxes have been due and in arrears for two years.

WHEREAS, it is expedient that all lands or improvements or real property within the limits of the Corporation of the City of Victoria upon which Municipal taxes have been due and in arrear for two years, shall be sold, and the proceeds applied in the reduction of such taxes:

Therefore the Municipal Council of the Corporation of the City of Victoria enacts as follows:—

1. The Collector of the Municipal Council of the Corporation of the City of Victoria is hereby authorised and directed whensoever taxes on any land or improvements or real property have been due for two years preceding the current year, to submit to the Mayor of the City of Victoria a list (in duplicate) of all the lands or improvements or real property liable under the provisions of this by-law to be sold for taxes, with the amount of arrears against each lot set opposite to the same, and the Mayor shall authenticate such list by affixing thereto the seal of the Corporation and his signature, and one of such lists shall be

deposited with the Clerk of the Corporation, and the other shall be returned to the Collector with a warrant thereto annexed, under the hand of the Mayor and the seal of the Corporation, commanding him to levy upon the land or improvements or real property for the arrears due thereon with his costs.

2. It shall be the duty of the Collector to make inquiry before effecting a sale of lands or improvements or real property for taxes, to ascertain whether or not there is any distress upon the land, nor shall he be bound to inquire into or form any opinion of the value of the land or improvements or real property.

3. The Collector shall prepare a copy of the list of lands or improvements or real property to be sold and shall include therein in separate columns a statement of the proportionate amount chargeable on each lot for (1) the amount of taxes unpaid up to the date of the passing of this by-law; (2) the Collector's commission, authorised by this by-law to be paid him and the cost of advertising and contingent expenses of sale, and (3) the total amount of taxes and costs for which the property is liable to be sold; and shall cause a copy of such list to be printed for a period of one month preceding the date of such intended sale in two daily newspapers published in the City of Victoria.

4. The advertisement shall contain a notification that unless the arrears and costs are sooner paid he will proceed to sell the lands or improvements or real property for the taxes, on a day, at a time, and at a place named in the advertisement.

5. The Collector shall, at least one month before the day of sale, serve, or cause to be served, a notice of the intended sale and of the consequences thereof, in writing, or partly in print and partly in writing, signed by the Collector, on the person, or if more than one, then on each of the persons who at the time of the service thereof appeared on the Register of the City of Victoria as owner and also on all persons having a registered charge on the real property to be sold; or substituted service shall be effected in such manner as any Judge of the Supreme Court may direct. The Collector shall also, at least one month before the day of sale, post a notice similar to the said advertisement at the principal entrance to the City Hall, Victoria, and in the Post Office building, Victoria.

6. The day of sale shall be a day to be named by the Collector in the said advertisement not earlier than thirty-one days nor later than three months after the first publication in two daily newspapers of such list, exclusive of the day of such publication, and such sale shall take place at the Council Chambers in the City Hall, in the City of Victoria, and shall begin at 12 o'clock, noon: Provided always, that if the Collector shall from any cause whatever be unable to effect service of any notice of sale, in the manner herein directed or to effect substituted service as directed by any such Judge, he may postpone the sale of the property or parcel of land in respect of which he is so unable to effect such service, from time to time, and shall give notice of such adjourned sale by advertisement in the newspapers in which the original notice was advertised, or he may withdraw the said property or parcel of land from the sale, and in either case shall proceed with the sale of the remaining lands or improvements or real property in the manner herein directed.

7. If at any time appointed for the sale of the lands or improvements or real property no bidders appear, the Collector may adjourn the sale from time to time.

8. If the taxes have not been previously collected, or if no one appears to pay the same at the time and place appointed for the sale, the Collector shall sell at public auction so much of the lands or improvements or real property as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes, selling in preference such part as he may consider best for the owner to sell first, and in offering such lands or improvements or real property for sale it shall not be necessary to describe particularly the portion of the lot or section which shall be sold, but it will be sufficient to say that he will sell so much of the lot or section as shall be necessary to secure the payment of the taxes due, and the amount of taxes stated in the advertisement shall in all cases be prima facie evidence of the correct amount due.

9. If the Collector fails at such sale, or any adjournment thereof, to sell any such land or improvements or real property for the full amount of arrears of the taxes due, he shall at such sale or adjournment thereof adjourn the sale until a day to be publicly named by him not earlier than one week nor later than three

months thereafter, of which adjourned sale he shall give notice by advertisement in the newspapers in which the original notice was advertised, and on such day he shall sell such lands or improvements or real property previously offered for sale for any sum he can realize: Provided that in event of the price offered for any property or parcel of land at such adjourned sale being less than the amount of arrears of taxes due in respect of such property or parcel of land, the Collector shall have power, if he thinks fit so to do, to purchase such property or parcel of land in the name of and on behalf of the said Corporation.

10. If the purchaser of any property or parcel of land fails immediately to pay the Collector the amount of the purchase money the Collector shall forthwith again put up the property for sale.

11. Immediately after every sale the Collector shall return a list of the arrears satisfied by such sale to the Clerk of the Corporation and shall at the same time pay in the proceeds to the Treasurer of the said Corporation.

12. The Collector shall be entitled to five per centum commission upon the sums collected by him as aforesaid.

13. This by-law may be cited for all purposes as "The Victoria Real Property Tax Sale By-law, 1897."
